Enhancing Quality Physiotherapy Services for Sustainable Development in Africa: the role of training, practice, research, and governance

Detailed Programme of oral presentations and plenary sessions

(Programme détaillé des communications orales et sessions plénières)

Please, authors of selected abstracts for ORAL presentations can check below the order of presentations within each session
Your Abstract number or title or your name may help you to quickly locate your presentation.

Les auteurs des résumés sélectionnés pour présentation ORALE peuvent consulter ci-dessous l'ordre des présentations prévues dans chaque session. Vous pouvez repérer votre présentation à partir du numéro ou du titre de votre résumé, ou encore à partir de votre nom.

Note:

- Session times are local time (Cotonou, UTC +1);
- Abstract numbers followed by **(v)** mean authors will be presenting virtually; Individual Zoom link are or will be provided to these speakers through separate messages.
- Clicking on the title of an abstract will give you online access to the full text of that abstract. Note that this may not work for keynote lectures and abstracts not submitted via the abstract submission platform. These abstracts will then be available in the Congress Abstract book.

- Les sessions démarrent à l'heure de Cotonou (GMT +1);
- Si un numéro de résumé est suivi de (v), cela veut dire que cette communication sera réalisée de façon virtuelle; Ceux-ci ont reçu ou recevront bientôt un lien Zoom personnalisé.
- En cliquant sur le titre d'un résumé, vous serez dirigé(e) vers le texte complet de ce résumé que vous pouvez consulter en ligne. Prendre note que ceci ne fonctionnera pas pour les conférences clés, ni pour un résumé qui n'avait pas été soumis via plateforme de soumission. Ces abstracts seront alors disponibles et accessibles dans la compilation des résumés du congrès.
